

2024 Fall Classic

Rules of Play

1. **Mixed doubles play only.** You will have many different partners against many different opponents.
2. Your division will be players of similar tennis skill level to increase the fun.
3. Maximum of 3 days of play every other day (**weather permitting**) plus Finals. Three 8-game sets per day. The oldest person on the court should spin a racquet to determine choice of serve or side. Maximum of 10 minute warmup (including serves) for only first set of each day. **No-Ad scoring:** At 3-3 the server shall move and serve to the person of same gender. The winner of the next point wins that game. .
4. The three sets per day are consecutive. A short break is taken between sets as you report your score, get your new partner, opponents and court assignment.
5. Each game won is a point (8 points per set). A set ending at 4-4 gives all 4 players 4 points each. At the end of each set please report your scores to the scorer's table. Scores will then be posted on the Leader Board. Points are accumulated throughout the three days of play.
6. The two women and the two men with the highest total point count from rounds 1 through 9 in each division advance to play in the **Finals of their division on Saturday, November 9 at 11:00am.**
7. Finals mixed doubles teams for each division will be the woman with the most points partnered with the man with the second most points versus the woman with the second most points partnered with the man with the most points.
8. In the interest of accuracy, **both teams shall report their scores to the scorer's table upon conclusion of their set.**
